

## ACR ES ECSL Configuration

1. Open SSCUI *Setting Up Your Compliance Reporting* (101071).
2. Navigate to “Set Properties of Reporting Activity” for reporting entity ES\_RPG\_ENT, category ES\_ECSL\_DCL.
3. Restrict usage of existing entries ES\_ECSL\_DCL\_CLASSIC\_S, ES\_ECSL\_DCL\_CLASSIC\_C, ES\_ECSL\_DCL\_V1\_S and ES\_ECSL\_DCL\_V1\_CORRECTIONS\_C by setting “Use Until” to 31 December 2020.
4. Create two new entries for ES\_ECSL\_DCL\_V1\_S and ES\_ECSL\_DCL\_V1\_CORRECTIONS\_C with “Use As Of” set to 1 January 2021.

After steps above the configuration should look like this:
